BUY A BRICK AND BECOME A PART OF HISTORY

In response to popular demand, the Philcenter Development Committee is introducing the "Buy a Brick Program" as part of its effort in raising funds for the Philcenter. Prior to this program, only donors with donations of \$1000 or more are recognized in the form of the category donation levels. Upon reaching a category level, the donors are entitled to corresponding discounts in the use of Philcenter facility every year.

The PCVC is proud to have the community "Buy A Brick Program" towards the completion of our Philcenter. With just a \$100 donation, a personalized brick will be created with your name or a tribute to a loved one. Your donation, as your support, will be displayed forever in the entrance of our Philcenter for generations to come

2009 SANTA CRUZAN CANDIDATES

We are pleased to announce the following ladies who unselfishly stepped forward to help out in the fund raising for the Philcenter by volunteering as "Sagalas" for this year's Santa Cruzan Pageantry. We also extend our sincerest thanks to the associations who sponsored them. Without their full support, the Santa Cruzan will not be a moment to remember. We applaud their dedication and courage in supporting this important fund raising event for the Philcenter.
